FUNDRAISING PROGRAMS

FUNDRAISING PROJECTS

Donations made to current fundraising initiatives enable us to make necessary upgrades to various resident needs such as the creation of our Saint Paul Chapel, vehicle replacement, and security and technology updates.

BENEVOLENT CARE

In 1997, Brevillier Village created the **Ruth Pedersen Benevolent Care Fund**, in memorial to Ruth, the last resident of the original Ball Home. Since its inception, we have assisted residents in need with over \$3.5 million in financial support. Approximately 20 percent of our Personal Care Residents are unable to fully pay for their care.

GROUNDS FUND

Brevillier Village is located on a 20+ acre campus, with over 1,100 feet of shoreline on Lake Erie. Maintaining these beautiful grounds requires constant effort and attention. This fund pays for necessary maintenance, improvements as well as for flowers, trees, benches, and chairs for residents and their loved-ones to enjoy.

HAVEN PROGRAM

Our Haven Program is designed to maintain a “home-like” living environment for residents. Village pets, plants, and inter-generational programs are the core of the Haven Program and provide comfort, nostalgia, relaxation, stimulation, and socialization.
