

Conrad House

Changes Effective Monday June 14, 2021

Outdoor visits will be allowed as of June 14, 2021

VISITATION-

- A maximum of 3 visitors can visit after checking in at kiosk for screening in the front lobby.
- **Vaccinated** visitors can wear a mask only
- **Unvaccinated** visitors need a mask and gloves
- **Unvaccinated** visitors cannot be in common areas, only resident apartments.
- Our recommendation is to wear masks in common areas, or in community settings such as doctors' offices, grocery stores, or family gathering and parties.

ISOLATION/QUARANTINE

- New residents moving in must still isolate
- **Vaccinated** residents - Isolation in apartment for 7 days
- **Unvaccinated** residents - Isolation in apartment for 14 days.
- **Vaccinated** residents - Emergency Room- If there less than 24 hours no quarantining is needed unless symptoms appear
- **Vaccinated** residents - Coming from hospital stay on admission or readmission will be required to quarantine for 7 days
- **Unvaccinated** residents - must quarantine for 14 days in apartment weather they are in the emergency room or hospital.
- When going to public events such as weddings, family events, shopping, we ask you to use caution because there are still many unvaccinated persons in the community.
- Conrad House gatherings are still limited to 25 people

OVERNIGHT GUESTS

- No longer have to quarantine but must register at the front office and guests must give proof of vaccination. After guest departs resident must self-monitor for 5 days for COVID signs and symptoms.
